# Sunday School Class Listing

**The Sunday School department offers quality classes for all ages.**

Children's age-appropriate classes assist them in building a solid life foundation based on God's Word.

Youth Sunday School classes guide our young people into making positive life choices by applying Biblical principles to daily living.

Adult classes offer a variety of Bible-based subjects and

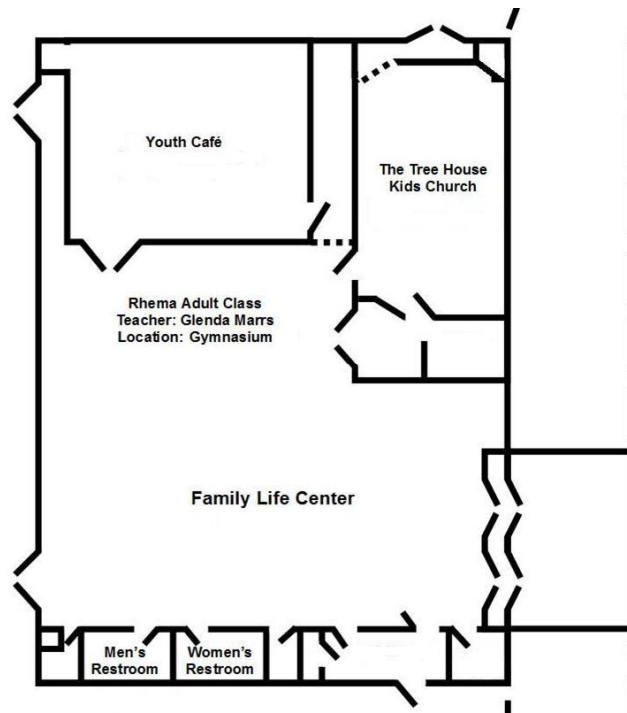

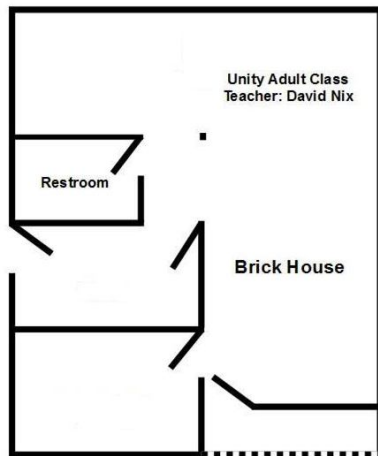

delivery methods, all aimed at encouraging spiritual maturity.

Sunday School also provides the opportunity to connect with other believers and form circles of support to assist us as we meet life's challenges.

Join us at 9 AM on Sundays to take advantage of this God-given opportunity for spiritual growth and Christian connectedness.

**We need you
